

**Godly Play Core Training
for Storytellers and Doorpersons
Fall 2024**

Oct 18-19 and Nov 15-16, Sackville NB

A workshop to empower and inspire.
We will explore Godly Play as a creative approach to nurturing children's faith.

Training is offered in modules over two weekends:
Friday 4-9pm to Saturday 8:30am-5:30pm.

This training includes the art of Christian language in parables, sacred stories, liturgical actions and silence. It highlights creating sacred space, supporting children's spirituality and community.

Godly Play values process, openness, discovery, community, and relationships.

Together we will explore the principles and practices of Godly Play including plenary sessions on the Godly Play Environment, the Spirituality of the Child, and the Community of Children.
Participants experience telling stories and receiving supportive feedback.

We welcome participants new to Godly Play and experienced Storytellers and Doorpersons who want to refresh their leadership skills.

Maritime Godly Play Trainers:
