In the instance of parish clergy, a mutually agreeable process for Vacation request, notification, and approval will be developed and shared. 6. Paid Vacation Time Taken But Not Yet Earned:

Employees may book and take paid vacation days-off which they have not yet earned. Employees wishing to take paid vacation days-off in advance of earning these paid vacation days-off acknowledge, understand, and agree that should their employment terminate for any reason prior to earning the paid vacation days, the advanced vacation monies will be deducted from their final pay even if that deduction takes them below Minimum Wage. All employees booking paid vacation time off in advance of earning paid vacation time off are to complete a **Payroll Deduction Authorization for Vacation Advance** form (see *Appendix*).

7. Paid Vacation Time Off Carry Over (Diocesan Offices only):

Diocese of Nova Scotia and Prince Edward Island
Policy 2.1.12: Vacation

Employees are expected to take all paid vacation time off in the year it is accrued. Any allowed carryover days must also be used in the year into which they are carried. Diocesan Office Staff (Clergy and Lay) may request to carry over up to five (5) paid vacation days to the next year provided they (1) put their request in writing to the Executive Director, and, (2) put their request in writing no later than November 15.

8. Requests for Unpaid Time-off:

Employees will not be granted any unpaid time off if they have available paid vacation time-off. Unpaid time off will be granted at the sole discretion of the Executive Director and according to business needs. Upaid time off in the Parish is at the sole discretion of the Parish Executive, with permission from the Bishop.

9. Responsibilities (Diocesan and Parish):

Employees: Employees are responsible to plan for and schedule vacation time-off as early in the new year as possible. Scheduled vacation time-off requests can be changed but only in writing.

Payroll and Benefits Administrator: The Payroll and Benefits Administrator will ensure the timely payment of all paid vacation (as required) and will maintain accurate vacation records for Diocese Office Staff (Clergy and Lay). The Payroll and Benefits Administrator relies on the record-keeping of Parish Wardens to facilitate government reporting and payroll billing accuracy regarding stipendiary parish clergy. In the case of advance paid vacation time off not yet earned, the Payroll and Benefits Administrator will ensure the “Payroll Deduction Authorization for Vacation Advance In the Event of Termination of Employment” form (see Appendix) has been completed. Mandatory in the Diocesan Office, this tool may be used at the discretion of the Parish.

Supervisors: Supervisors, in consultation with the Payroll and Benefits Administrator, are responsible to document and track all vacation requests, ensuring that all employees do not schedule more paid vacation time than the employee is entitled to. Supervisors are to fairly consider any change in scheduled vacation time-off as requested by the employee. Supervisors are to advise the Executive Director of departmental-approved paid vacation time off.

Executive Director: The Executive Director will fairly consider all departmental-approved requests for paid vacation time-off and notify the Payroll and Benefits Administrator of final approval. The Executive Director will receive and notify the Payroll and Benefits Administrator of vacation carry over requests submitted by Diocesan Office Staff (Clergy and Lay).

Parish Leadership: Parish Leadership will establish a mutually agreeable process for Vacation request, notification, and approval. Parish Wardens will fairly consider all requests for paid vacation time off, will accurately track eligibilities, and will duly advise the Payroll and Benefits Administrator. This task is essential for accurate government reporting and payroll billing accuracy. If the Parish chooses to use the “Payroll Deduction Authorization for Vacation Advance In the Event of Termination of Employment” form (see Appendix), they will present and store this document as required, informing the Diocesan Offices of any necessary action.
